5. In the event that the dog requires veterinary attention and the Owner is not contactable, DFS may use its discretion in obtaining such veterinary attention as is deemed necessary and the Owner will be liable for or to reimburse the costs of such attention. DFS recommends that all owners arrange for appropriate pet insurance. In the event that medical care is required what is your financial limit?

In particular but without limitation, the Owner expressly acknowledges that.

12. In the event that the dog is not collected by the due date (or any agreed extension of that date) and boarding charges and expenses incurred have not been paid within 14 days after that date, DFS may sell or otherwise dispose of the dog at its discretion with all costs incurred to be for the additional account of the Owner and any moneys received to be applied towards the account.

13. DFS takes all care with your dog/s but is not responsible for any injuries incurred whilst in the care of Doggy Farm Stay, including but not limited to any joint injuries, cuts, abrasions, ligament damage, tears from playing etc.

14. It is expected that the Owner will dutifully inform DFS of any issues, medical or emotional, that the dog has or has had in the past.
